ANNOUNCING NEW ALLIANCE - BIRCH RIVER SITE SERVICES & LIGHTHOUSE CAMP SERVICES

Local camp service companies develop agreement to attain common goals and create long term - mutually beneficial success

Edmonton, AB, July 2, 2014 – Announcing the signing of a new Teaming Agreement between Birch River Site Services (BRSS) and Lighthouse Camp Services.

Effective immediately, BRSS (a company owned by Mikisew Cree Group of Companies), and Lighthouse will share best practices to provide Husky with superior services. This puts both operators on a joint path to providing outstanding services to the camp and catering service industry.

CEO Scott Ferguson of the Mikisew Group of Companies remarked "We are thrilled at the opportunity to work with the Lighthouse team. The teaming agreement is a large step for our two companies to bring our expertise to the table and deliver a high quality of services to new markets."

CEO Dario Berloni of Lighthouse commented, "The teaming agreement between BRSS and Lighthouse Camp Services is the beginning of a great partnership that will extend beyond camp operations. We are confident that it will create value for both companies and offer career opportunities for members of the Mikisew Cree First Nation."
