ANNOUNCING MIKISEW LANDING LTD *NEW ALLIANCE. NEW OPPORTUNITIES*

Fort McMurray, AB, June 5, 2014– After two years of strategic planning, Executive Flight Centre and Mikisew Group, joint venture partners, are pleased to announce the launch of **Mikisew Landing Ltd.** Combining strengths and resources, this unique consortium offers new opportunities, specializing in aerodrome operations management.

Mikisew Group CEO Scott Ferguson stated "The signing is the result of a two year negotiation in which both sides have overcome numerous obstacles to reach this agreement. These two partners bring extensive strengths to the partnership which will result in a superior service delivery to the small Aerodromes across northern Alberta. MCFN as represented by the Mikisew Group of Companies (MGC) is excited to diversify their holdings with this move into the Aerodrome business. Our focus will be on delivering the most efficient services to our clients, while enhancing the experience to our passengers. We look forward to lasting relationship with our new partners."

Dean Buckland, President Executive Flight Centre stated "We are very excited to be working with the Mikisew Cree First Nation. In dealing with them over the last three years we have developed an appreciation, respect and enthusiasm for the future possibilities of combining our strengths in serving the needs of the aerodrome operations in northern Alberta. We are looking forward to a great partnership for the future that will allow both our organizations to learn and grow together helping to improve, standardize and create efficiencies in the operation of aerodromes in the region."
